

A Continued Success for Hospice

“Savour the Sea” is a splendid extension of an original seafood dinner party prepared by Cosimo Delmedico for his family and close friends many years ago. With distinctive seafood recipes introduced by Cosimo from his native Puglia region of Italy, this “dinner party” has since evolved into an annual event featuring fine food, spectacular entertainment and dancing for all.

Traditionally a sellout crowd each year, Cosimo and his dedicated committee have hosted over 1,000 people at the Savour the Sea evening. Cosimo and his committee have come to the difficult decision to transition the event to The Hospice of Windsor & Essex County Inc. starting in 2019. They would like to take this opportunity to thank the community for making this event an amazing success and hope their legacy and your support will continue for many years to come! We welcome them as our special guests each year and honour their commitment to this evening that they have created.

This year, the event celebrates its 35th anniversary and hopes to again raise over \$100,000 for our Hospice, which will directly benefit individuals living with or caring for a person with a life-altering diagnosis in our local community.
