

Hospice Face to Face

About Face to Face

The Face to Face Campaign supports The Hospice Fairley Family Transportation Program, which provides rides to patients and families across Windsor-Essex. Last year, with your help, we raised over \$100,000 for Windsor-Essex residents in need of assistance. This year, we hope to exceed that total, but we can't do it without you!

How Can You Help?

- Collect pledges from family and friends as a Face to Face Canvasser
- Make a personal donation online, through the mail, or in support of a Canvasser
- Spread the word about Face to Face!

About Our Hospice

Founded to address compassionate end-of-life care, The Hospice of Windsor and Essex County Inc. has been an integral part of the Windsor Essex region since 1979. The Hospice provides care at no cost in our two Hospice Residential Homes (Windsor and Erie Shores/Leamington), through the Community Palliative Medicine Program and through our Wellness Programs and Services.

With only partial government funding, it has been through the generous support of our community that Hospice has been able to offer care to patients and families within the Windsor-Essex Community.
